

Hamilton Company, Inc. Confidentiality Statement

Hamilton Company, Inc. (HCI) shall keep all information pertaining to *Business* (insert name of Business) and *Business's* business obtained during the performance of services confidential. HCI shall be bound to maintain the conditions of confidentiality without limitation and exception unless specifically approved in writing by *Business*.

All system specifications, proposals, reports, computer software, data, and other information generated, modified, or purchased by *Business*, by HCI, or by others in relation to work performed for or at the request of *Business* shall remain the exclusive property of *Business* and under no circumstances be considered the property of HCI, and shall not be used by HCI for any unauthorized purposes during the Agreement or after termination.

In the event HCI breaches this provision, HCI may be enjoined and restrained from continuing violation of this provision.

The undersigned agree to the provisions and conditions of this Agreement
